

## Chungnam National University Inbound Exchange/Visiting Student Application

### **Program Overview**

## Global Scholarship Program (GSP)

GSP offers valuable opportunities for international students to have a better understanding of the Korean language and social customs through academic lectures. It is an ideal program for those who would like to broaden their perspective in Korean culture and life style. Benefits are exemptions from tuition fees and on-campus dormitory fees with a special stipend.

#### Internship Program (IP)

IP is for students from English speaking countries who want their career in an international relations field. Students will be working in the Office of International Affairs, CNU for about 5 months. Benefits are exemptions from tuition fees, free Intensive Korean language, and monthly stipend.

#### Regular Exchange Student Program

As an initiative to foster globalization efforts, CNU offers diverse forms of exchange programs. This program is contingent on the reciprocal agreement between the two schools. Benefits are exemptions from tuition fees, and free intensive Korean language class.

#### Summer Session for International Students (SSIS)

SSIS is a short term program for international students looking for opportunities to have academic courses and cultural activities. The primary purpose of SSIS is to offer academic credit-bearing courses: Korean Language and an English elective course. In addition, SSIS offers a variety of cultural activities/field trips throughout the summer session.

#### Globally Remarkable Academic Success Program (GRASP)

#### Winter for International Learners & Leaders (WILL)

GRASP and WILL are short term programs designed for international students who would like to learn Korean language and experience Korean culture at first hand. In addition, students will have opportunities to visit several research institutes in Daedeok Science Town.
